THANKS, FROM THE EDITORS

We, the editors, would like to thank all those who participated in the forming of this year's yearbook. The alliance of people that poured into this book was minor; a good part of members had jobs or were active in the sports in school, but those who did join in on the fun of organizing the yearbook came through looking valiant.

Thanks to Michelle Gerken and Karlo Janhunnen for their superb artistic ability in every way. Michelle also has helped with taking pictures for the yearbook. A large thank-you to Bob McCullough and Bob Fifer for taking many of the pictures that were used in this year's annual. Thanks to Wendy Hite who came in the middle of the year to help out in a pinch. She didn't know much about putting a yearbook together but caught on quickly.

A special thanks to Mrs. Wright, our advisor. She spent many hours taking pictures and drawing lay-outs. Mrs. Wright has been the one who kept the yearbook on schedule. She went beyond the call of duty. We learned many things from her and we'll miss her.

We are proud to present the 1986 Del-Hi.

SPIRIT WEEK

Freshmen Tops in Spirit Week

Spirit Week had a Backward beginning, on Monday, with students purposely dressing backward to gain points for their classes. On Nerd day, students creativity was truly unequaled. With greased hair, taped glasses, and pocket protectors, the entire student body became a study of poor fashion taste. Surf was up when Beach day hit the halls. The Muppets took Delta High on Costume day when Kermit (Mr. Spiess) and Miss Piggy (Becky Gurwell) were united in marriage by Tod Ham. Green and White day was a successful ending to Spirit Week.
